

## Summer Zoo Camp Descriptions – Dino Week

*Week of June 25<sup>th</sup> ONLY!*

**K-1<sup>st</sup>**

### **Prehistoric Party**

You know them by name – Stegosaurus, Triceratops, Velociraptor – but you'll learn much more about their life and times when you join our Prehistoric Party.

**2<sup>nd</sup>-3<sup>rd</sup>**

### **Tyrannosaurus Treks**

At the Zoo, we love to talk about animal adaptations – body structures and behaviors that help an animal to survive. Come learn about Tyrannosaurus Rex's tiny arms and sharp teeth as we unearth some fascinating fossil facts.

**4<sup>th</sup>-5<sup>th</sup>**

### **Can You Dig It?**

Grab your intellectual chisels and brushes and start digging! Join us as we delve into the world of paleontology by chipping away to unearth the nuts and bolts of our prehistoric pals.

**6<sup>th</sup>-8<sup>th</sup>**

### **The Paleontologist's Adventurers Club**

Discover the techniques and tricks of paleontology as you spend a week brushing away the dust to unearth the details of prehistoric life and times.
